

Dear Parents

We are aware that the children do a lot of learning at home and we would love to hear from you when you see them doing something that makes you proud. Please complete these home observation sheets throughout the year for your child. Cut them out and send them into school with your child and we will use them in your child's learning journey to track their achievements throughout the year. If you need a paper copy please ask your child's teacher. Below are some examples:

 <p>Home Observations Date: 10.09.18</p> <p>Zac played with his sister. He told her to pretend she had broken her arm and he put it into a sling, using a jumper.</p>	 <p>Home Observations Date: 11.09.18</p> <p>Scarlet played basketball with daddy. She tried really hard to get it into the basket. She kept practising until she did!</p>	 <p>Home Observations Date: 12.09.18</p> <p>Alfie was making playdough worms. He lined them all up and told me 'this one is the shortest and this is the longest'.</p>
