Dear Parents / Carers,

We are looking forward to welcoming your children to our school in September.

Under the current circumstances, school looks a little different to normal and we would usually have invited you and your children in to visit us to get to know more about the school and the staff. Unfortunately we are unable to do this, so to try and provide the information and to give you and your children a view into the school, we have made a number of videos that will be available to you on our school website [www.redwellprimary.org.uk](http://www.redwellprimary.org.uk) today. Please watch the videos and share the tour video with your children so they can see inside the classrooms and see our outside spaces.

We are keen to be able to communicate with you prior to starting, so if you haven't already completed the forms previously sent out to you, please complete these and return as soon as possible so we have your contact details.

Uniform is available to be ordered, you will have had an order form in your pack. We expect all children to be in full uniform as soon as they start school so please order in plenty of time for this to be delivered. If you are unsure of sizing please call the office, where Mrs Wills or Mrs Thompson will be happy to advise you.

If you think you may be entitled to the benefits from pupil premium funding, please click on the link to apply: <http://www3.northamptonshire.gov.uk/councilservices/children-families-education/schools-and-education/Pages/free-school-meals.aspx>

We are still waiting to confirm what induction will look like in September, but we endeavour to give you more detailed information on this in the coming weeks.

In the meantime, please go to our twitter (@RedwellPrimary) and Facebook (Redwell Primary) accounts and ask to join, then email the school office at [office@redwellprimary.co.uk](mailto:office@redwellprimary.co.uk) to let us know that you have made the request and which child you are a parent of. They are closed groups, so we need this email confirmation prior to being able to accept you on these platforms.

We will be in touch soon with more information on induction and start dates for your children. In the meantime, stay safe.

Yours sincerely

Anne Ansell
