

# Redwell Primary Information for Parents – September 2020

Dear Parents/Carers

Please be aware of the items that can be brought into school and those that are not allowed as we open to all students in September. Please also note that these are the measures until further notice.

## **Children will be allowed to bring in:**

- Named water bottle
- Book bag or carrier bag (to fit in named drawer)
- Reading books to return
- Remember to wear PE kit to school on your PE day
- Individual hand sanitiser
- Individual pack of tissues
- Mobile phones (switched off on entry to site)

## **Children will not be allowed to bring:**

- Rucksacks / Bags too big for drawer
- Pencil cases or stationery
- Any items not displayed on the list above
- Keyrings on book bags
- Any soft toys

***Please note:*** Class Teachers will let the children in and then organise where their coats, lunchboxes and book bags are kept during the day. If children arrive with rucksacks / big bags, parents will be asked to take these away and the contents will be stored in their drawer for the day.

*Hand sanitiser and tissues will be available if you are unable to provide your own.*

Thank you for your continued support and have a great summer.

Kind regards

Senior Leadership Team
