Dear Parents/Carers

### Pupil Progress Reporting

As you may be aware, the Government has removed the levels for monitoring pupil progress and attainment.

For over a year now, we have been carrying out research on the best way forward for Redwell Primary School, and by developing our processes, we now feel that we have a very robust system in place. As the lead school in the 5 Wells Teaching School Alliance, we are supporting other schools to develop their systems and train their staff.

The impact of this means that the way in which we report to parents will change. Therefore, in Parents' Evening, the teachers will not talk about a child using levels, but instead will use the 10 minute appointment to focus on the following:

- Effort
- Presentation
- Progress
- Attainment
- Behaviour

You will be given more information about these areas for your child at Parents' Evening.

Yours faithfully

Mrs A Ansell  
Head Teacher
