8. About cookies

8.1 Our website uses cookies.

8.2 When you first visit our website, we will ask you to consent to the use of cookies in accordance with the terms of this policy. If you give consent, then cookies will be delivered and stored on your device. To do this, you should click the "I Agree" button. You can manage your preferences by using the "Manage Cookies" button.

8.4 About cookies

8.5 A cookie is a file containing an identifier (a string of letters and numbers) that is sent by a web server to your web browser and is stored by your web browser. The next time (and subsequent times) that you visit the website, the PC checks to see if it has a cookie which relates to the website and, if the cookie is present, it is then sent back to the server. The server then recognizes the connection as one that has been made on an earlier occasion and can provide relevant information based on the content of the cookie. It is the website's way to ask you, automatically, 'have you been here before'; if you have, then the server will act accordingly.

8.6 Types of Cookie

8.7 Cookies may be either "**persistent**" cookies or "**session**" cookies and all cookies have an expiry date and time feature.

8.7.1 **persistent** cookies will be stored by your web browser and will remain on your device (computer) until the cookie's expiry date, unless the cookie is deleted by you before the expiry date;

8.7.2 a **session** cookie, on the other hand, will be stored by your web browser and will expire at the end of your session, such as when you log out of the website or when the web browser is closed.

8.8 Cookies do not typically contain any information that personally identifies you, but other personal information that we store about you may be *linked* to the information stored in and obtained from cookies. That said, Nene Education Trust do not perform such links.

8.10 Do Third Parties perform such links?

8.10.1 Cookies can be used by third party web servers to identify and track you and other users as you/they navigate the different pages on a website and can then identify users returning to a website. This is an automated process.

8.11 Cookies that we use

8.11.1 We use both **session** and **persistent** cookies on our website.

8.11.2 As noted above we use **persistent** cookies for general access to the website, when visiting standard pages.

8.11.3 We use **session** cookies for you if (and only if) you **log into** our website to gain access to more secure information that is not available to the general public. By log in, we mean that you will enter a username and password that is unique to you. These cookies are only valid during your logged in session and are removed once you log out. Only Administrators perform this task.
